

Name: _____

Date: _____

Physics

Period: _____

Unit 3.5 Mastery

	Questions (circle the questions you answered correctly)	Points earned/Points possible	% mastery
Gravitational Field Strength	1, 2, 13	___/3	
Kepler's Laws	3, 4	___/2	
Gravitational Force	5, 6	___/2	
Centripetal Motion	7, 8, 9, 10, 11, 12	___/6	

Reflection:

1) Does your score match how you thought you would do on the test? Explain

2) Does the data of your objective mastery match how you felt about the material walking in to the exam?

3) What action steps are you planning to take to review and master the objective you have not yet mastered?
